***Due to some recent changes in our healthcare community, accessing home healthcare equipment and funding may be a challenge for our residents in need. Let Homestead Oxygen + Medical Equipment help!***

Homestead offers a variety of equipment to ensure the safety and well being of all our customers. We offer in home assessments and delivery of equipment to include:

- **Walkers**
- **Wheelchairs**
- **Scoters**
- **Aids for Daily Living**
- **Bathroom Safety**
- **Lift Chairs**
- **Home Modifications**
- **Oxygen**
- **CPAP/Respiratory Needs**
- **Mastectomy Products**
- **Stockings + Bracing**

Clients' health is too important to trust to anonymous online providers or part-time employees at the big-box stores. We service the City of Kawartha Lakes, Haliburton County, Northumberland County, North Hastings County, Peterborough County and Durham Region.

Our goal is to extend medical equipment care in the clients' residence in coordination with hospital and community health professionals. Our dedicated team of HME consultants, Respiratory Therapists, RN's and Certified Fitters work closely with our clients, their families, community physicians, hospital health care teams, long term care homes and sleep study labs.
